Scan to open the registration page

Before you start

Unit trust in a nutshell

- Withdraw any time (paid out after processing)
- Suits mid- to long-term goals
- Invest a lump sum, or monthly through an RSP (auto-debit)

Prepare these (about 15 minutes)

- ✓ **IC (MyKad)**: clear photos of the front and back
- ✓ **Proof of address**: a bank statement or utility bill with your name and address, *or* a selfie holding your IC
- ✓ **Active email** and phone number
- ✓ **Job details**: employer name, nature of business, monthly income range
- ✓ **Online banking or card** for your first investment

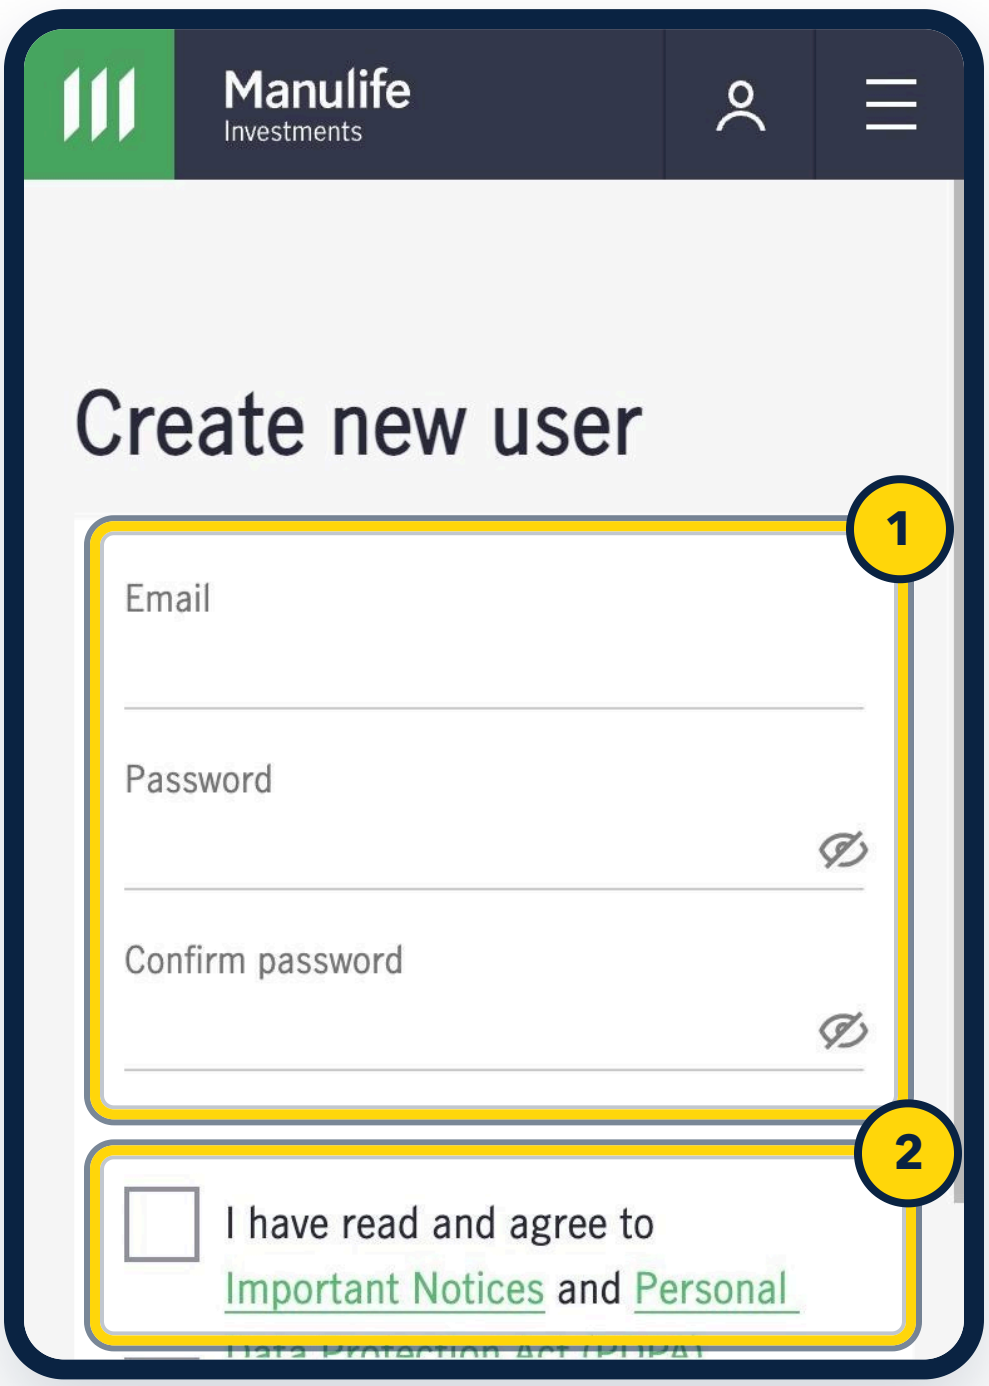

New to Manulife Investments? **A**
Start at Step A1

Already have a login? **B**
Start at Step B

Under 18, foreigner, PR, or a tax resident outside Malaysia? WhatsApp me before you start.

STEP A1

Create your login

1. Open the registration link below. Enter your **email** and create a **password** (type it twice). This email becomes your username, so use one you check often.

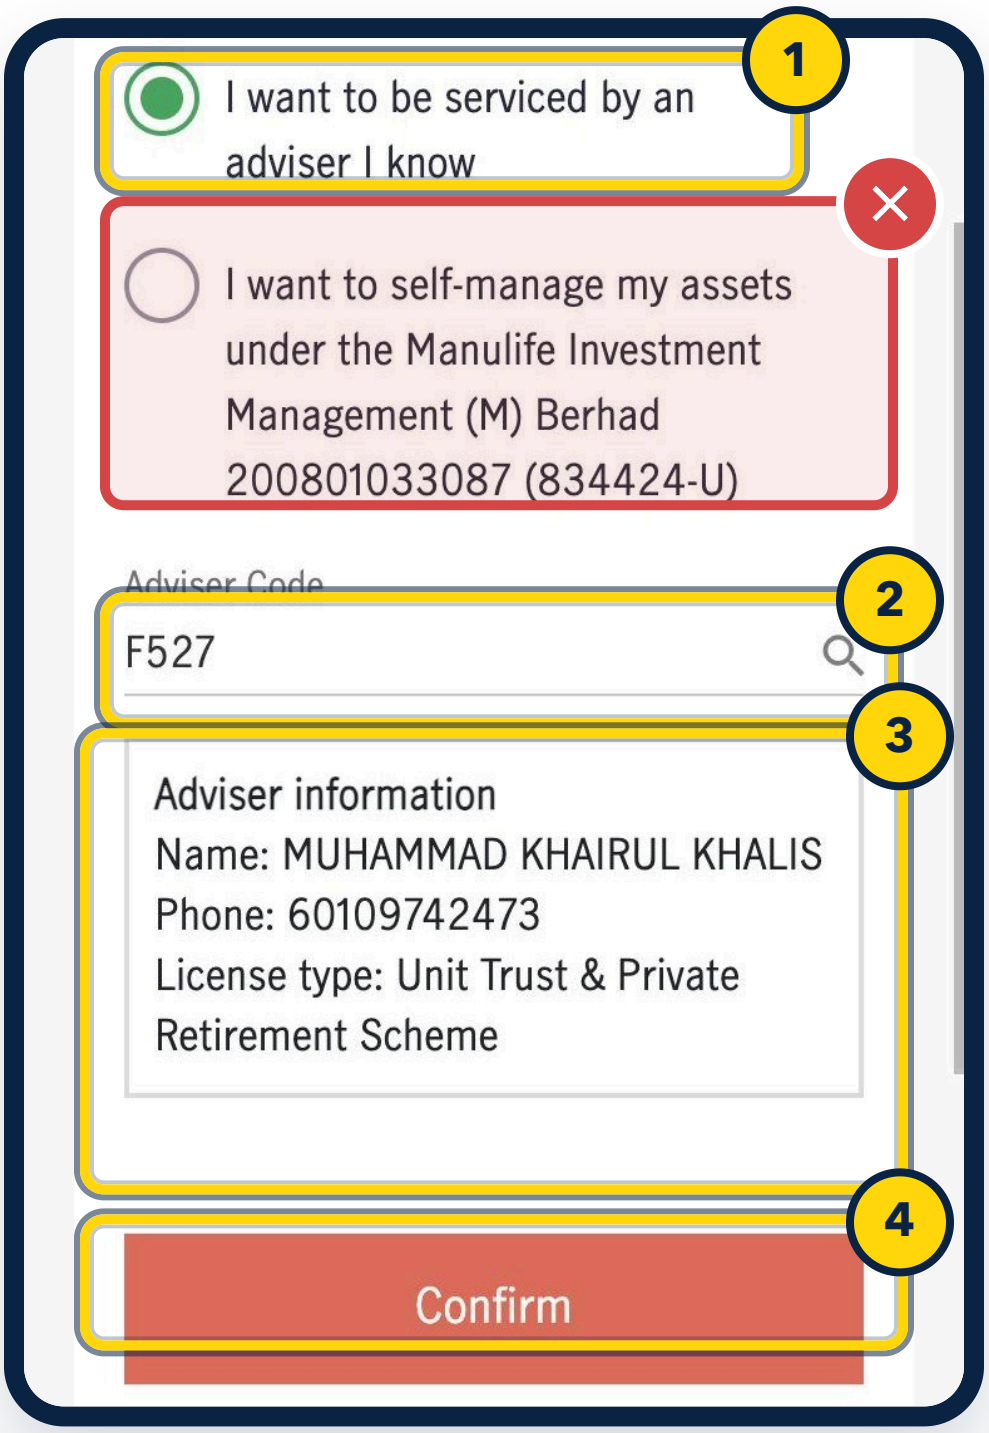

2. Read, then tick **"I have read and agree to Important Notices and PDPA"**. The mailing-list box is optional.

Register here →

https://client.asia.manulifeam.com/en_MY/NewUser?advisor=F527

STEP A2 NEW

Link your account to me

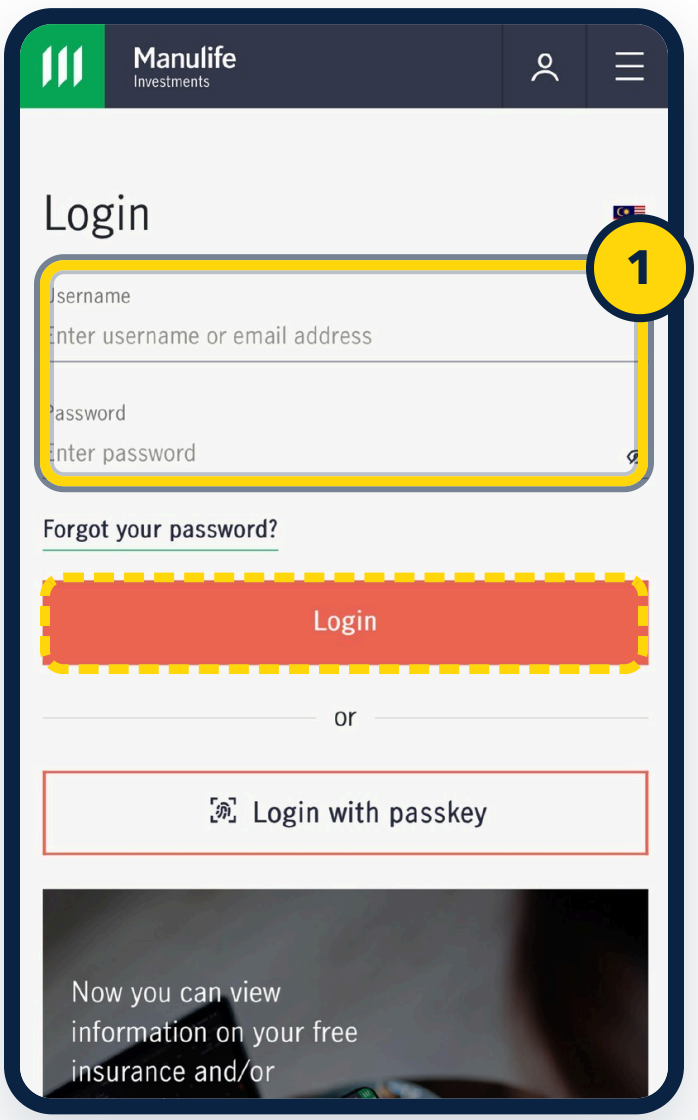

1. Under “How do you want to manage the account?” choose **“I want to be serviced by an adviser I know”**.
2. Type **F527** in Adviser Code, then tap the search icon.
3. Check that the box shows **MUHAMMAD KHAIRUL KHALIS**.
4. Tap **Confirm** and continue to Step 1.

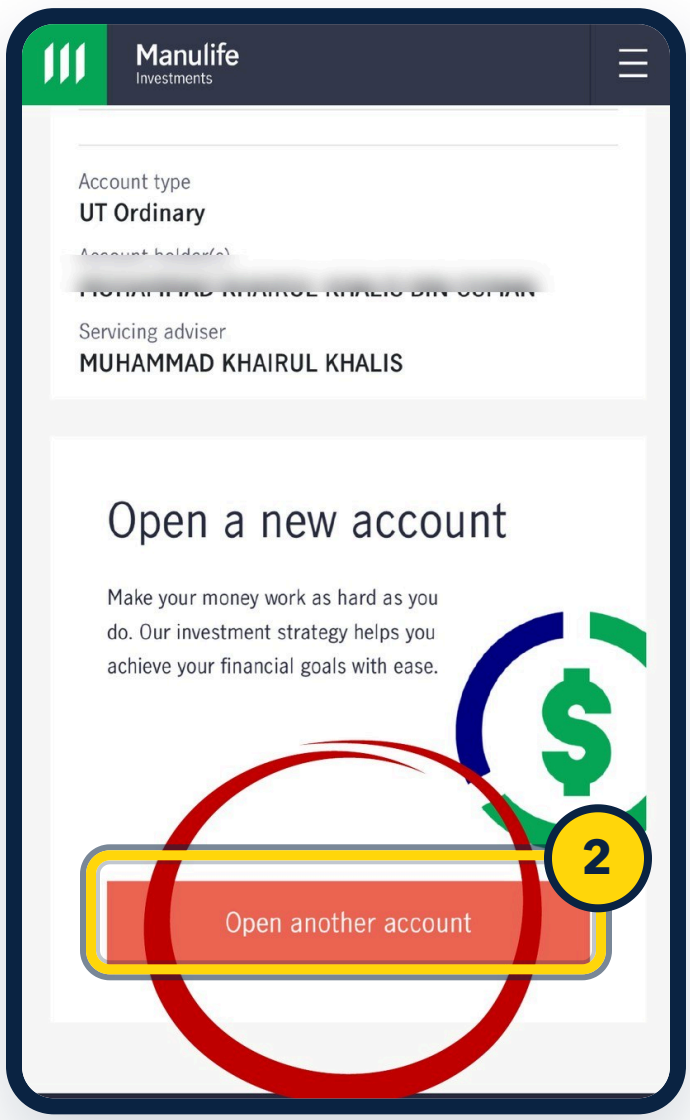

The adviser code is **not filled in automatically**. Don't choose “self-manage” or skip the code, or your account will not be linked to your adviser.

STEP B

Already a Manulife client?

1 Log in with your registered email and password.

2 On your account page, tap **"Open another account"**, then continue to Step 1.

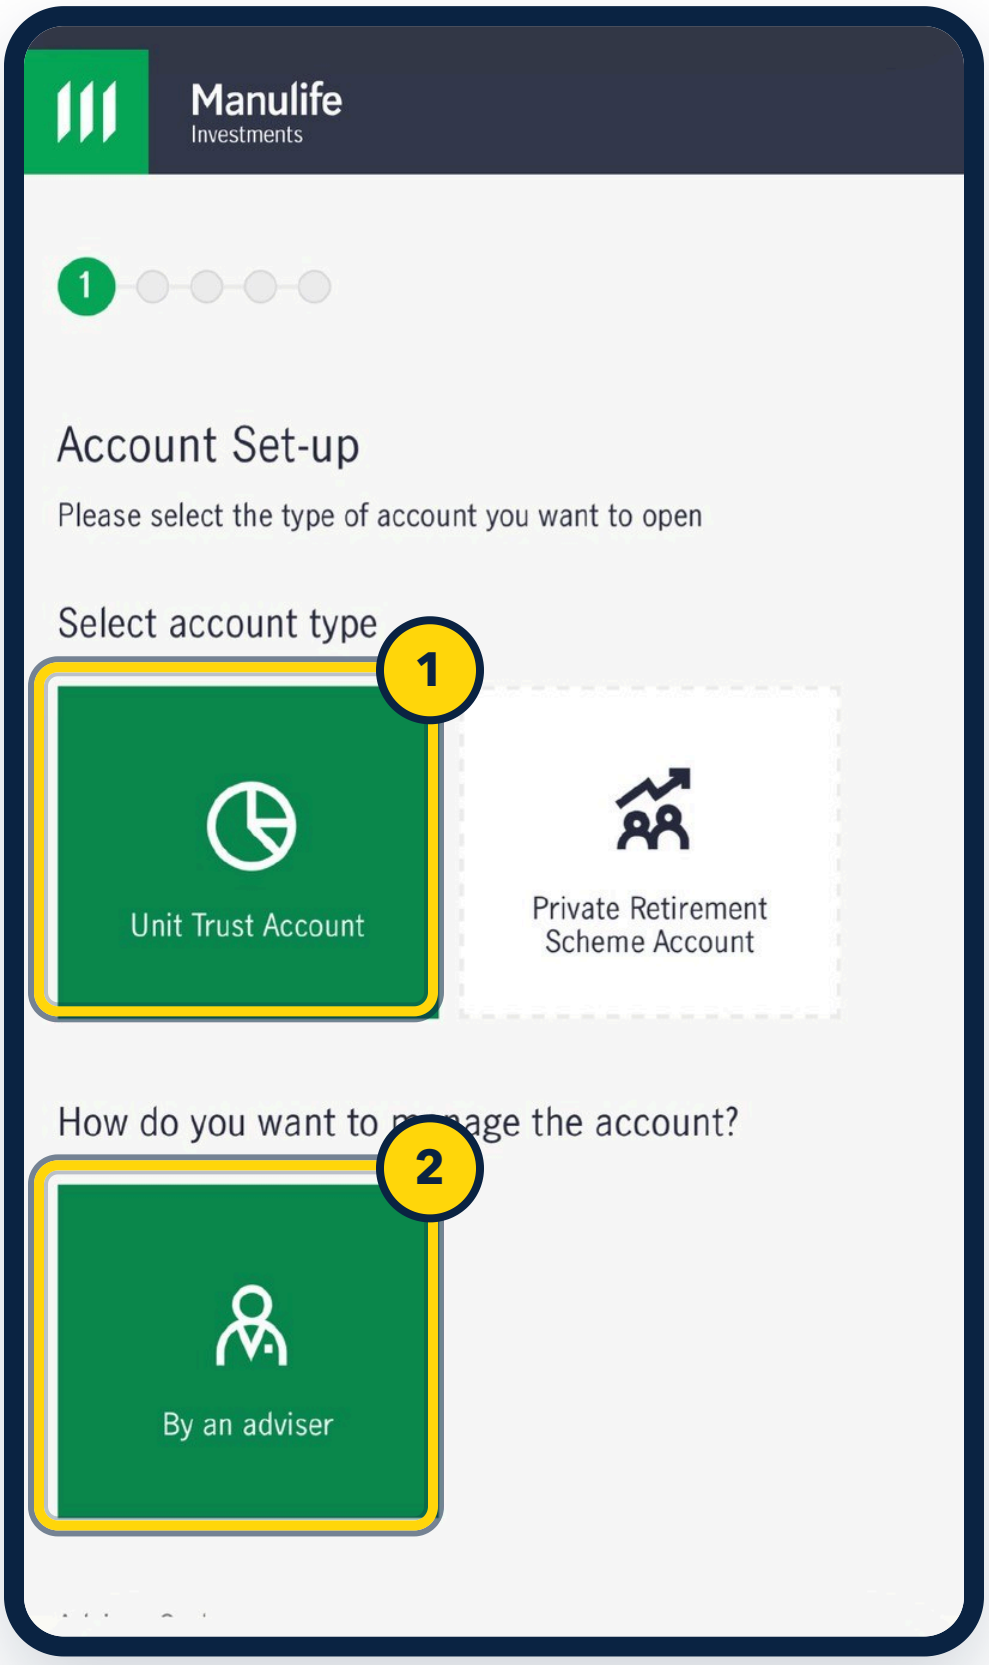

You can open as many unit trust accounts as you like. Each account can have its own adviser, so when asked, choose adviser code **F527**.

Log in here →

https://client.asia.manulifeam.com/en_MY/Login

STEP 1 OF 11

Choose Unit Trust Account

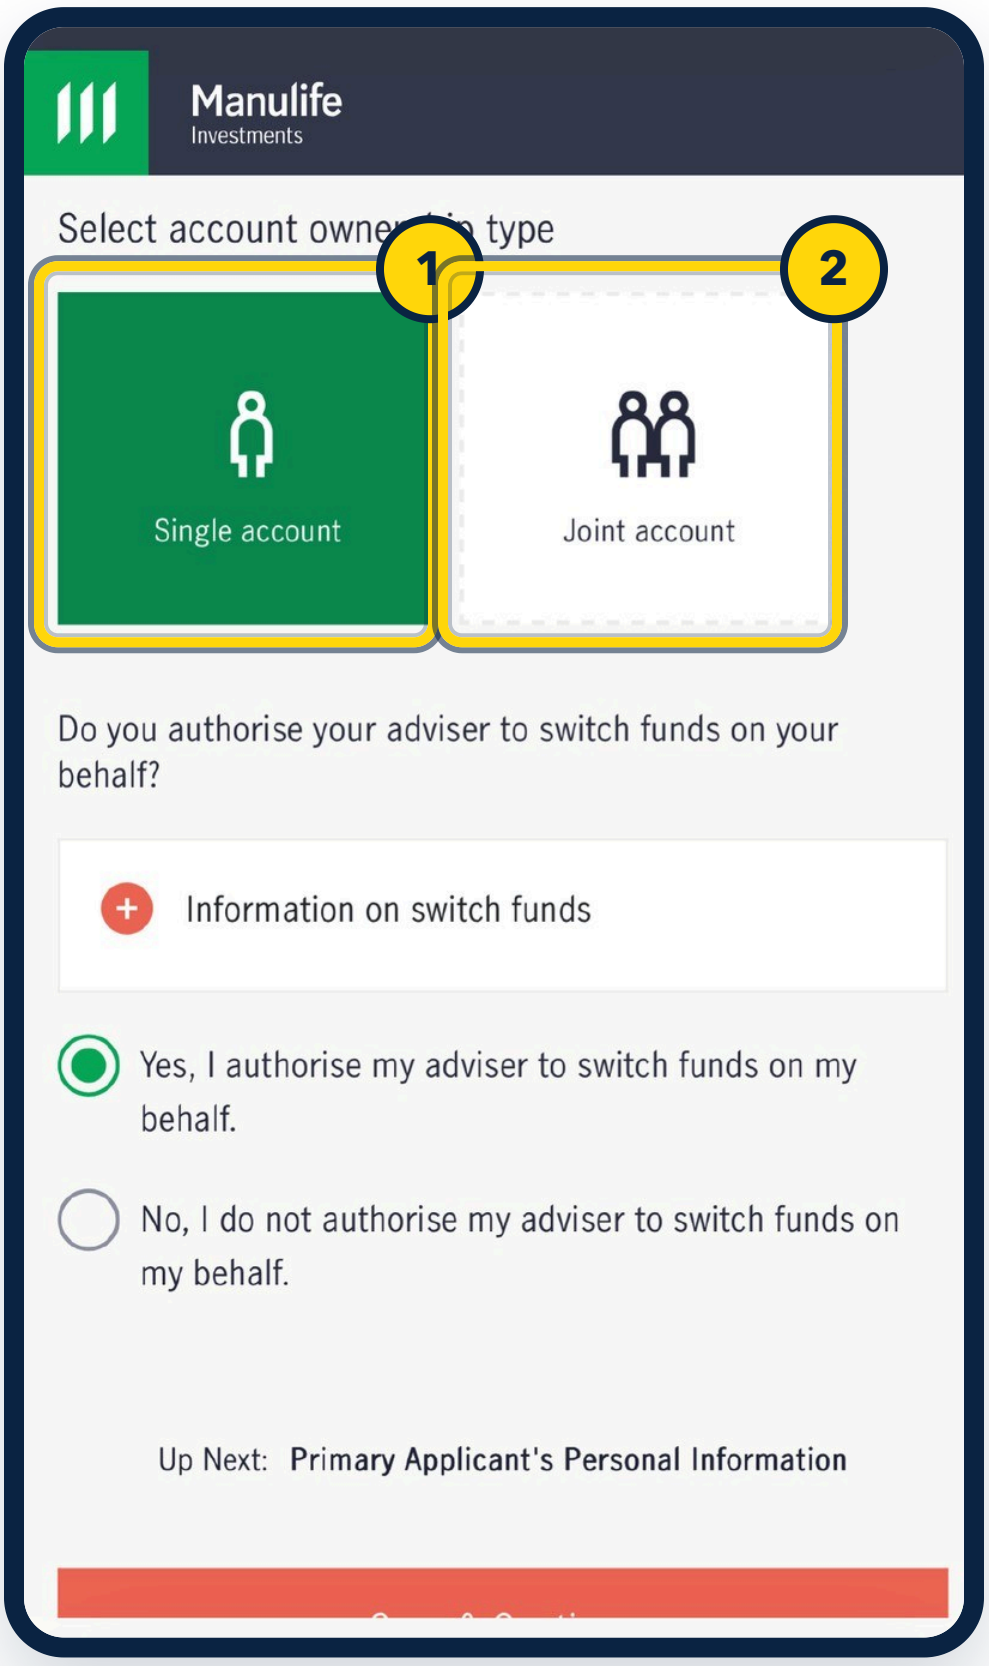

1. Tap **Unit Trust Account**.
2. Under “How do you want to manage the account?” tap **By an adviser**.

Want a PRS account instead?
Use my PRS guide.

STEP 2 OF 11

Single account

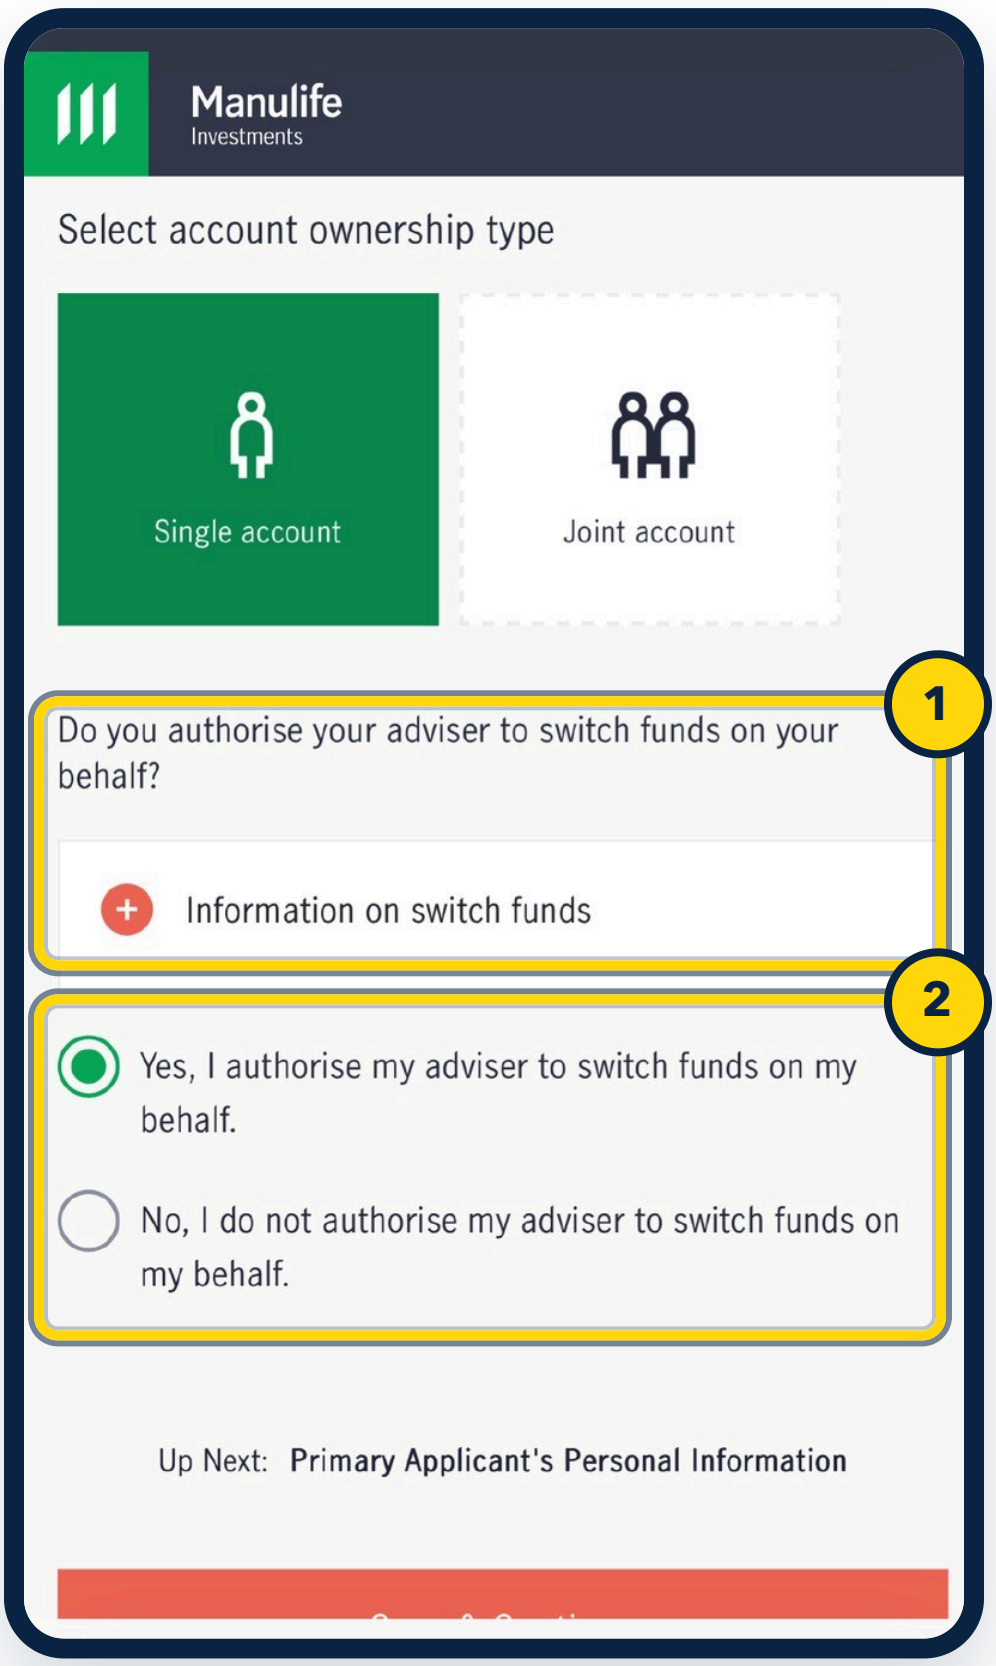

1. **Single account** = one name.
   Best for your first account.

2. **Joint account** = two names.
   See my Joint Account guide.

You can open a second, third or more accounts any time later.

STEP 3 OF 11

Switching authorisation

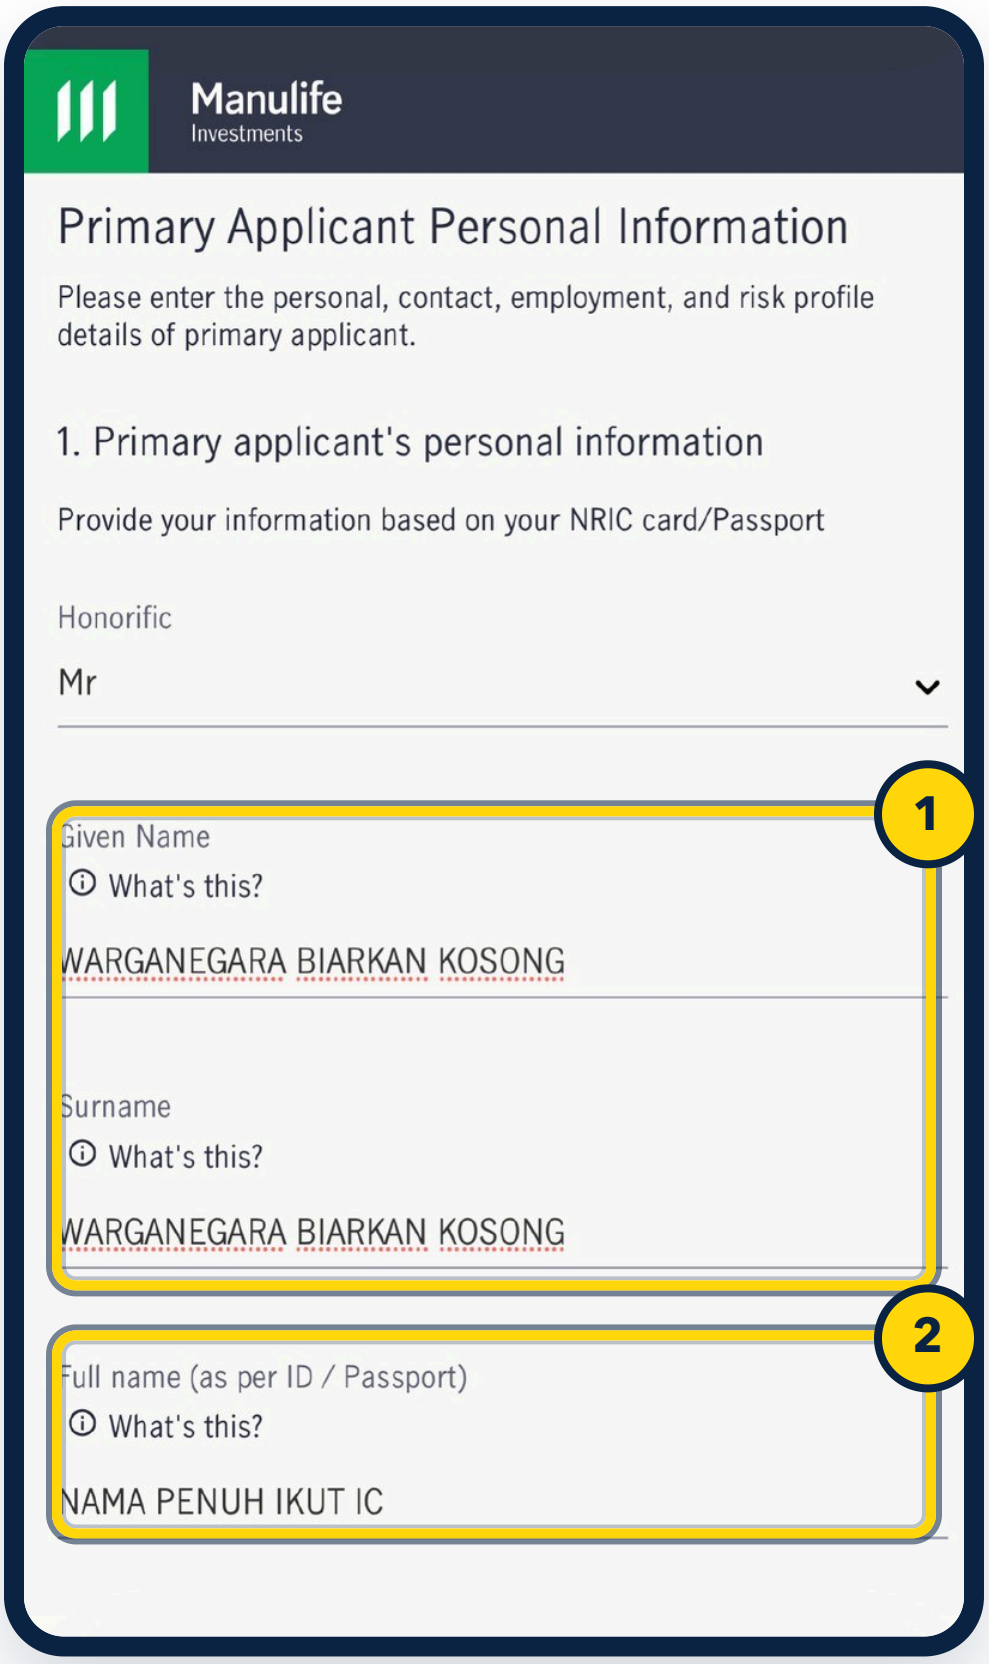

1. "Do you authorise your adviser to switch funds on your behalf?" Tap **Information on switch funds** to read the terms.

2. **Yes**: I can also submit switches online for you, based on your instruction. You can still switch yourself any time.
   No: only you can switch online (see my Switching guide).

Either way, I'm still here to guide you. Pick what's easier for you.

STEP 4 OF 11

Personal information

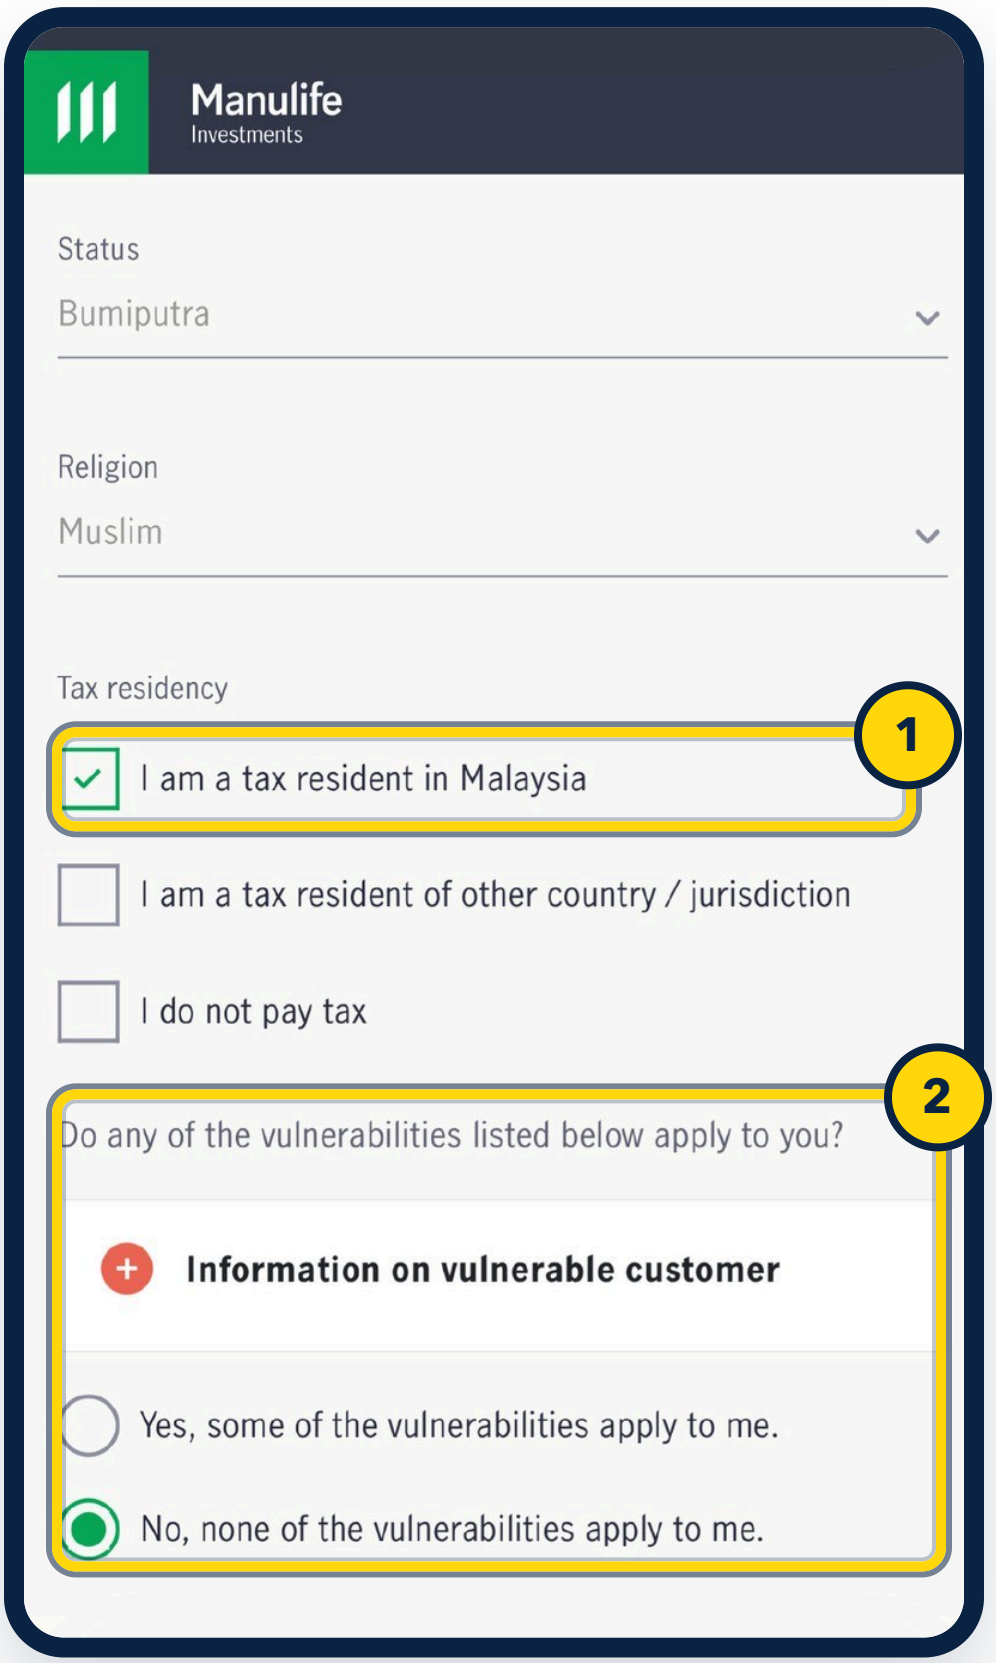

1. Malaysian with a blue MyKad: leave **Given Name** and **Surname empty**.
2. Fill **Full Name (as per ID)** exactly as printed on your IC.

Foreigner or Permanent Resident? WhatsApp me before you continue.

STEP 5 OF 11

Tax residency & vulnerability

1. Working or not working in Malaysia: tick **"I am a tax resident in Malaysia"**. Working overseas: tick "tax resident of other country / jurisdiction" and enter your TIN.

2. Vulnerable customer: tap the ⓘ to read the list, then answer honestly.

Special case (e.g. dual tax residency)? WhatsApp me first.

STEP 6 OF 11

Address

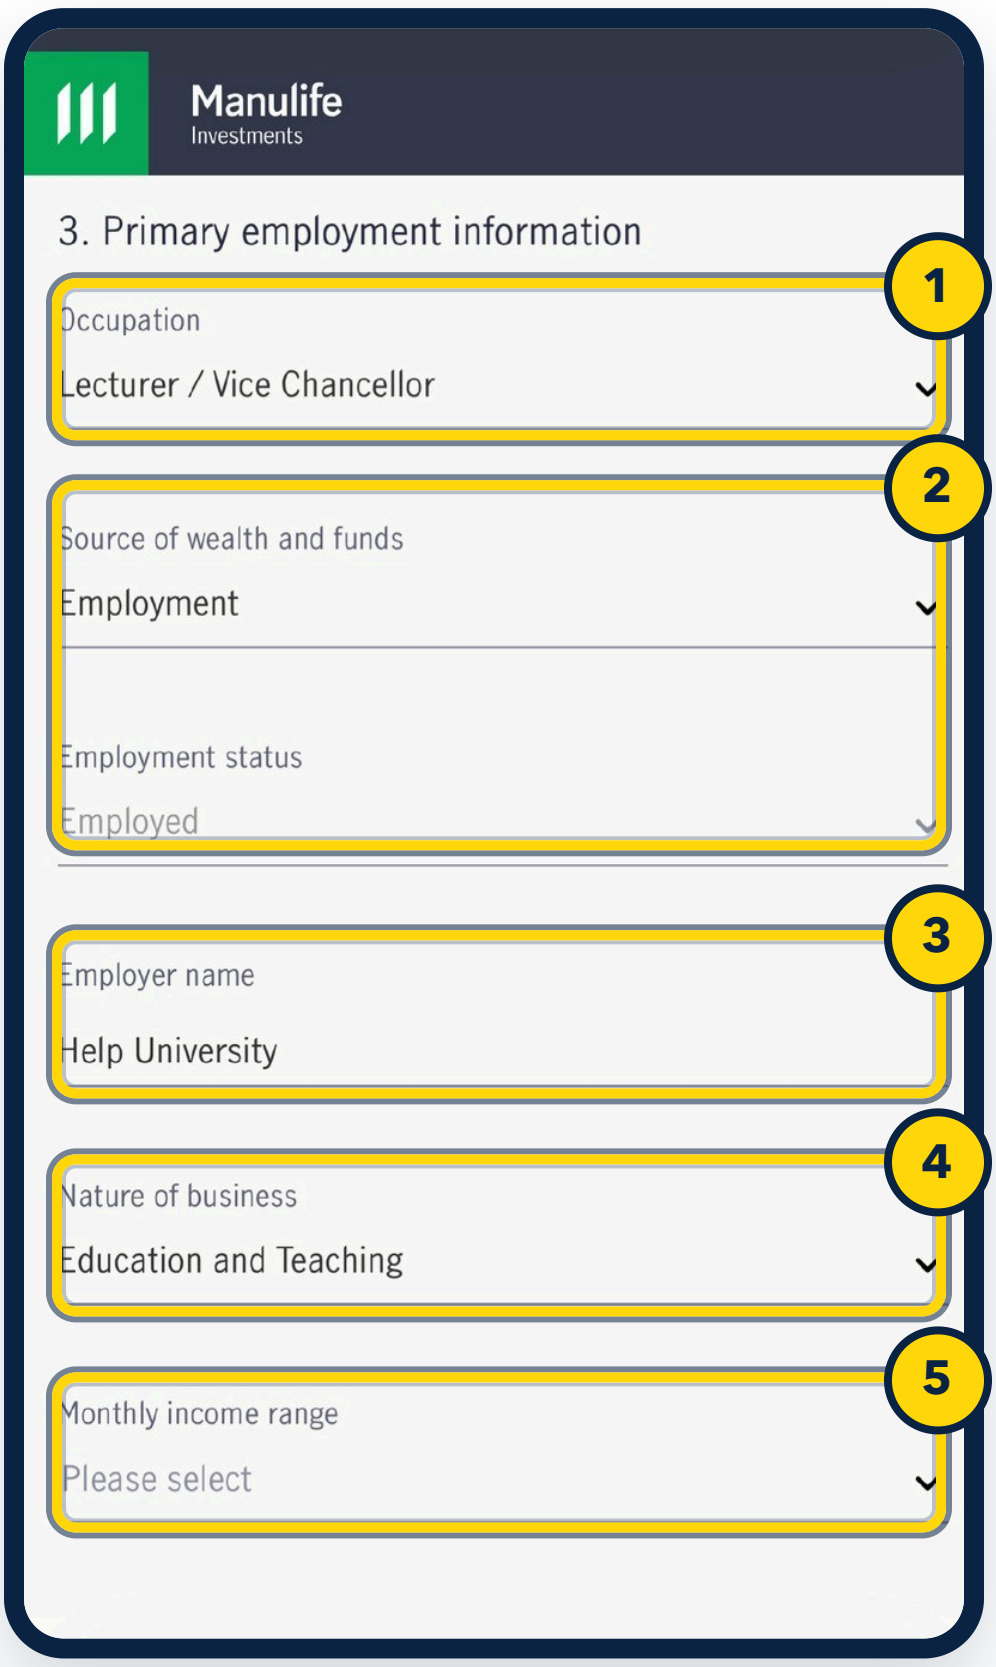

1. Choose country, zip code, state and city from the lists.

2. Address lines: street and building only. **Don't repeat** zip code, city or state here.

If the address on your bank statement or utility bill is still current, use it: verification is faster. If not, use your current address and verify with a selfie holding your IC later.

STEP 7 OF 11

Employment (working)

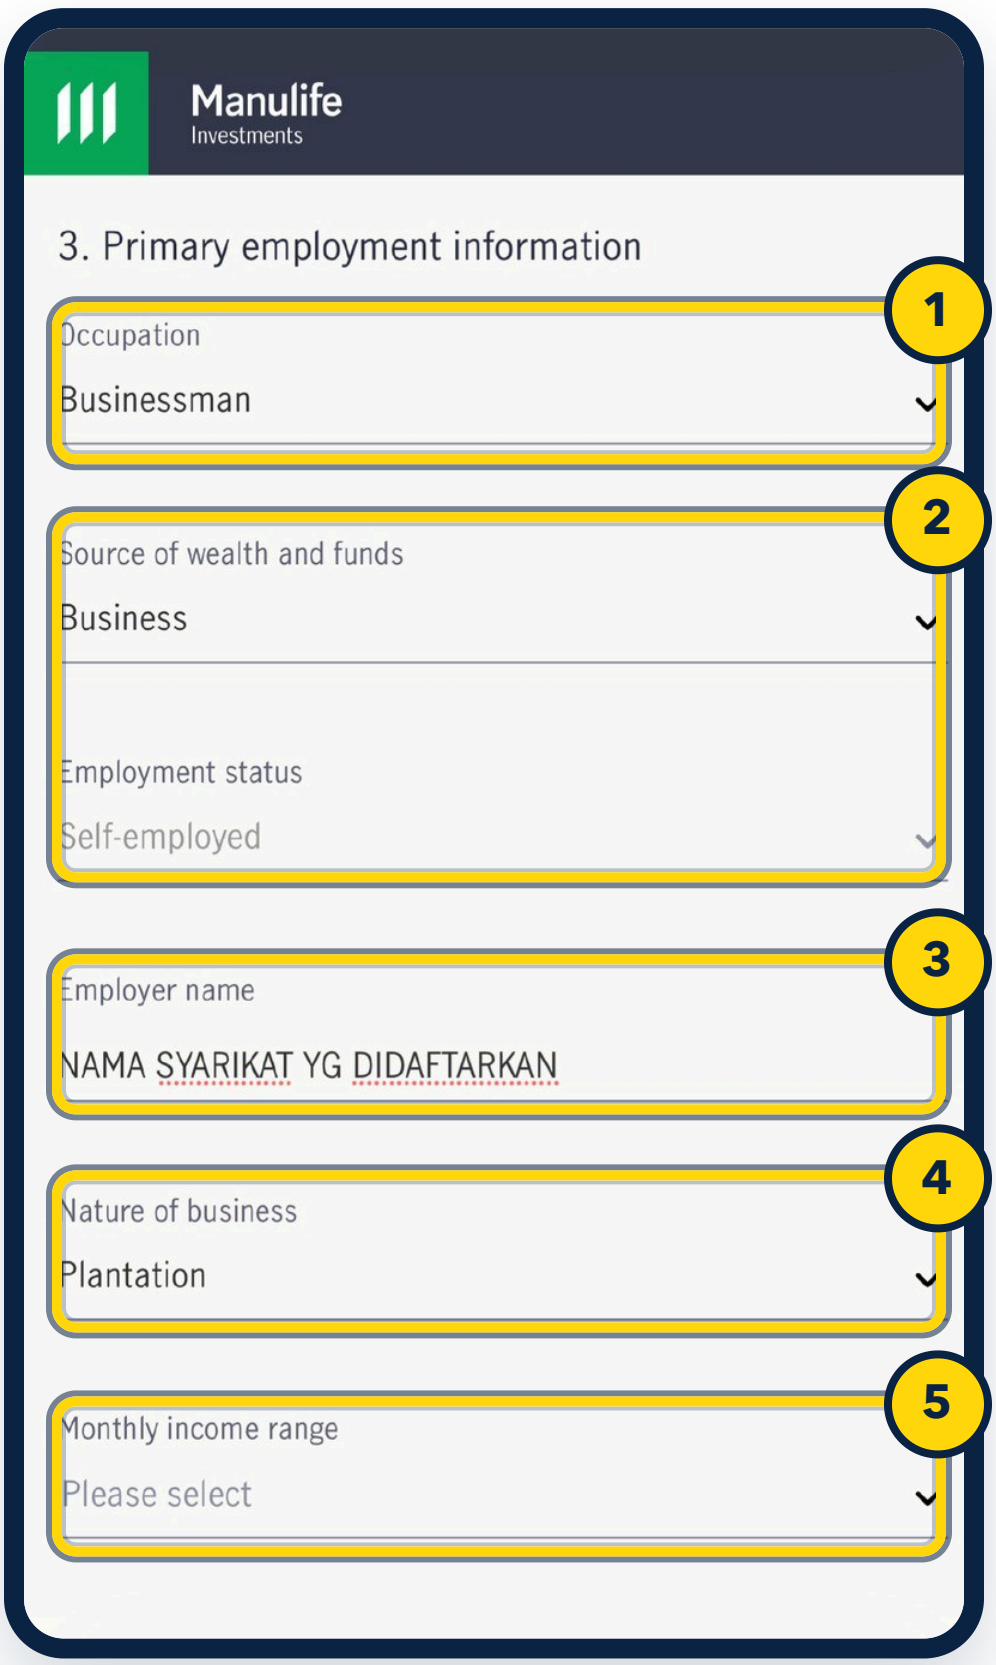

1. **Occupation**: your job.
2. **Source of wealth**: Employment. **Status**: Employed.
3. **Employer name**: the company you work for.
4. **Nature of business**: what your employer does.
5. **Monthly income range**.

> Running your own business? See the next page.

STEP 7 OF 11 **If you run a business**

Employment (own business)

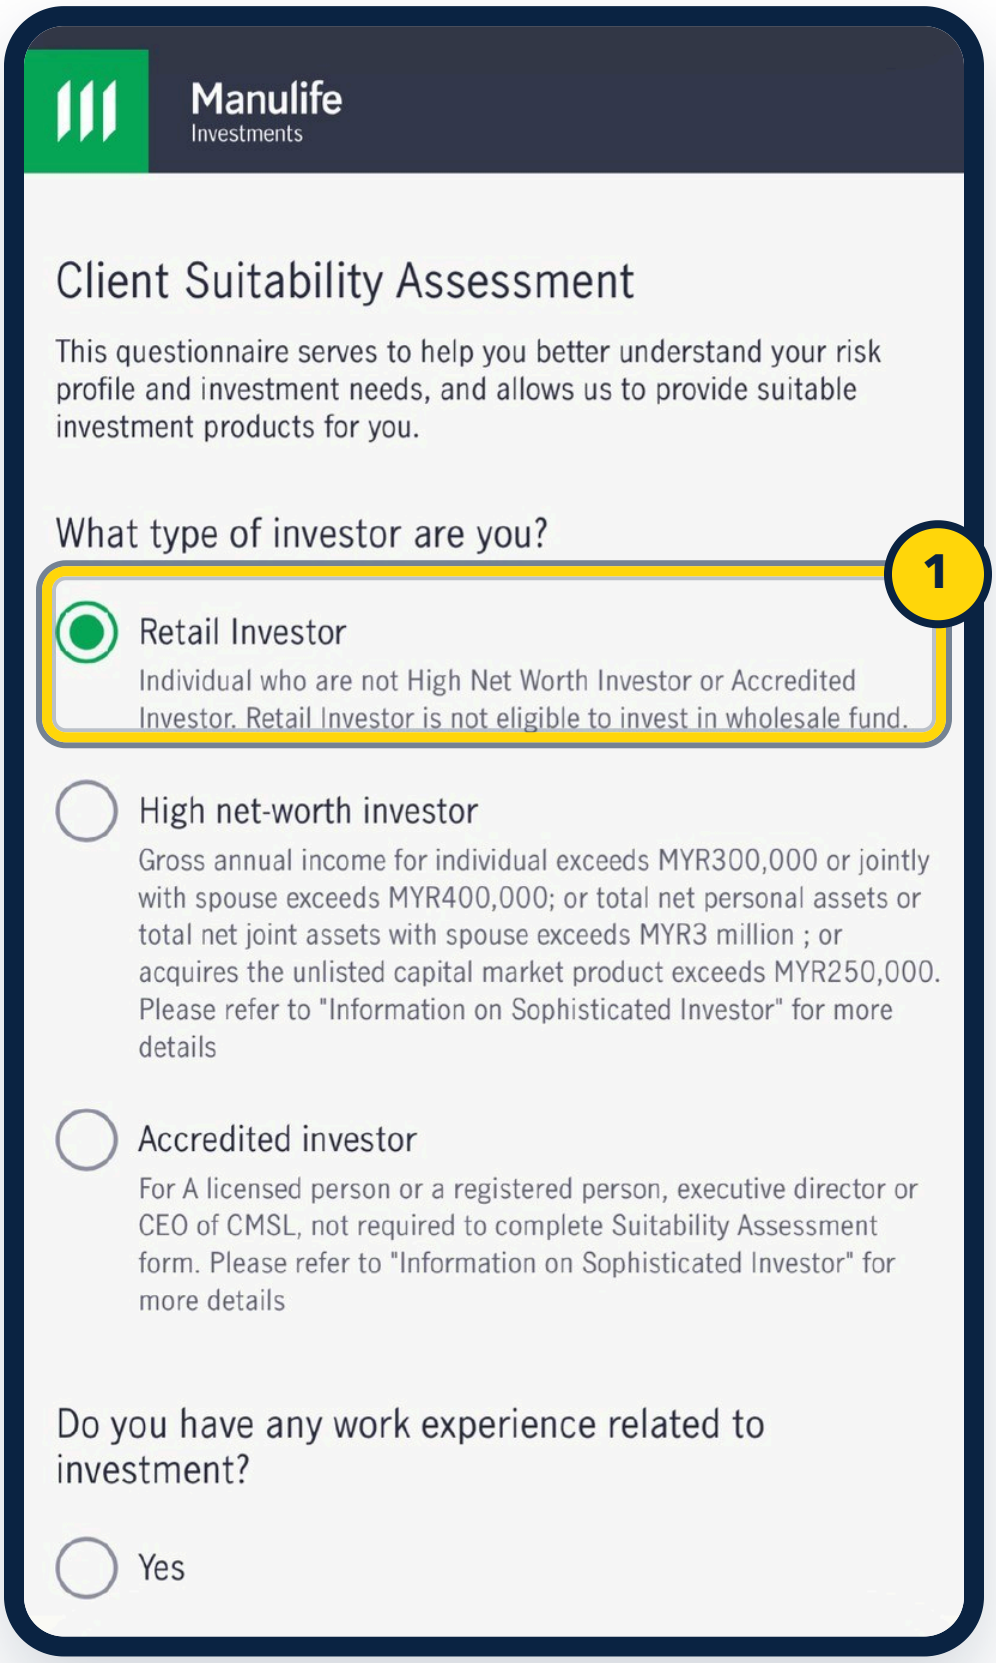

1. **Occupation**: Businessman / Businesswoman.
2. **Source of wealth**: Business.
   Status: Self-employed.
3. **Employer name**: your registered business name.
4. **Nature of business**: what your business does.
5. **Monthly income range**.

> Student, homemaker or retiree? Choose the closest option, or WhatsApp me if unsure.

STEP 8 OF 11

Suitability assessment

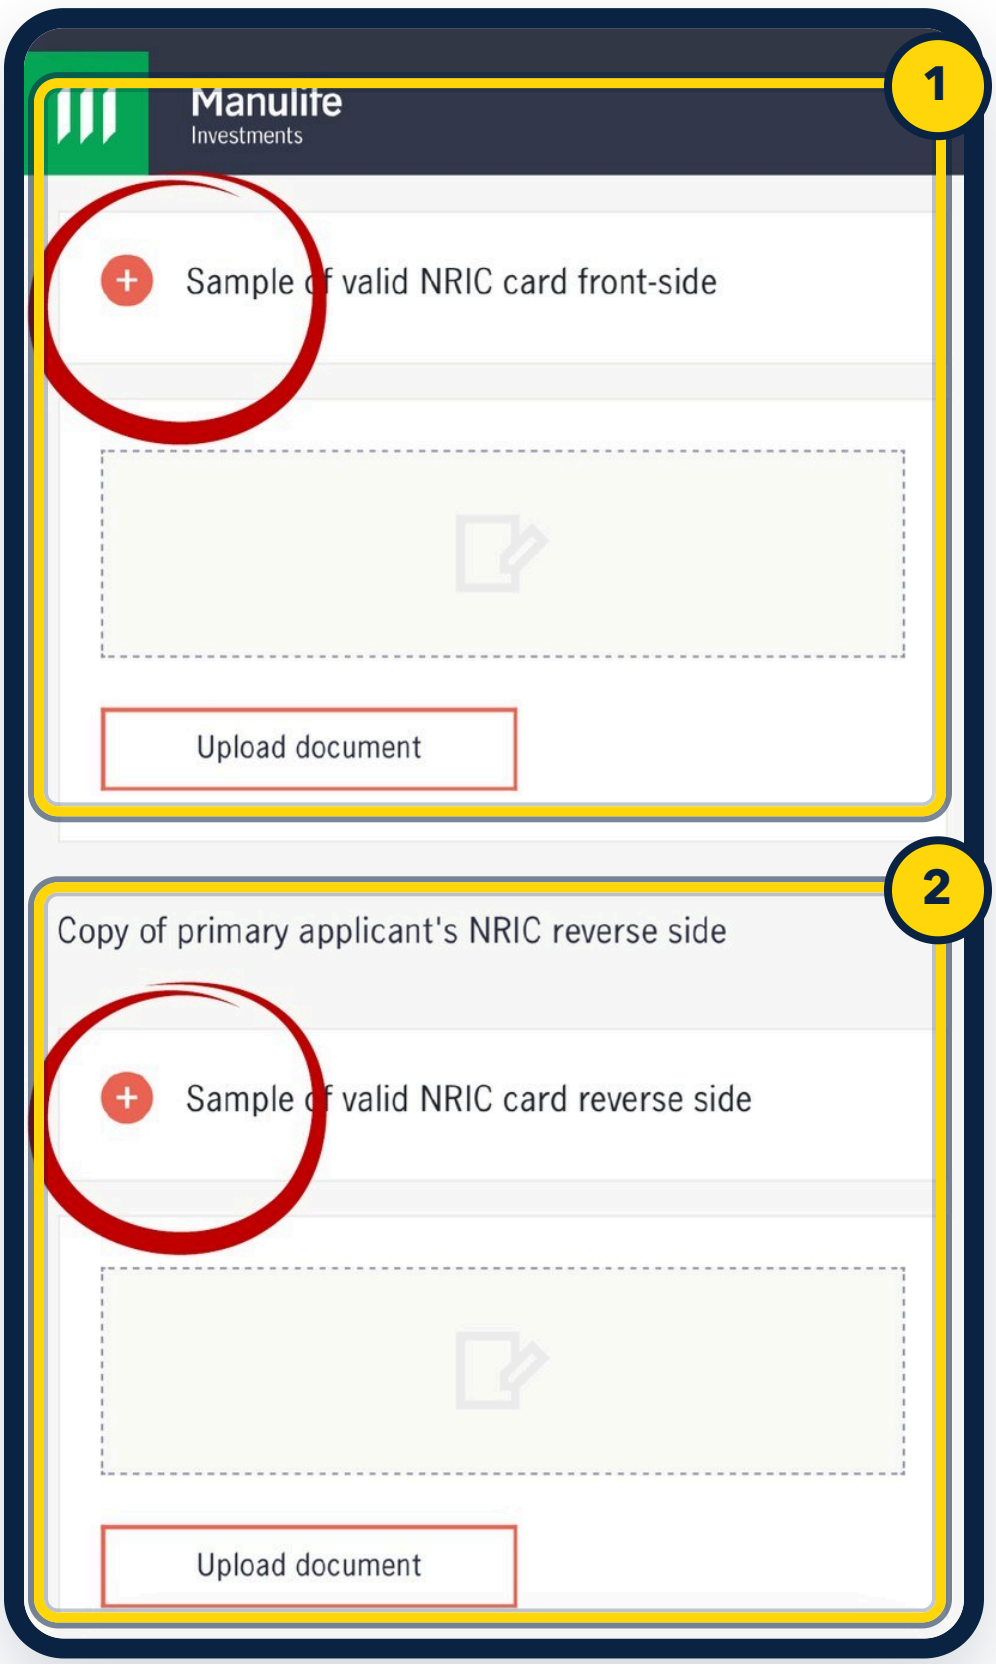

1 Answer **every** question honestly. Your answers decide which funds suit you. Most people are a **Retail Investor**.

Not sure what an option means? Read the description under it, or ask me. Please don't guess.

STEP 9 OF 11

Upload your IC

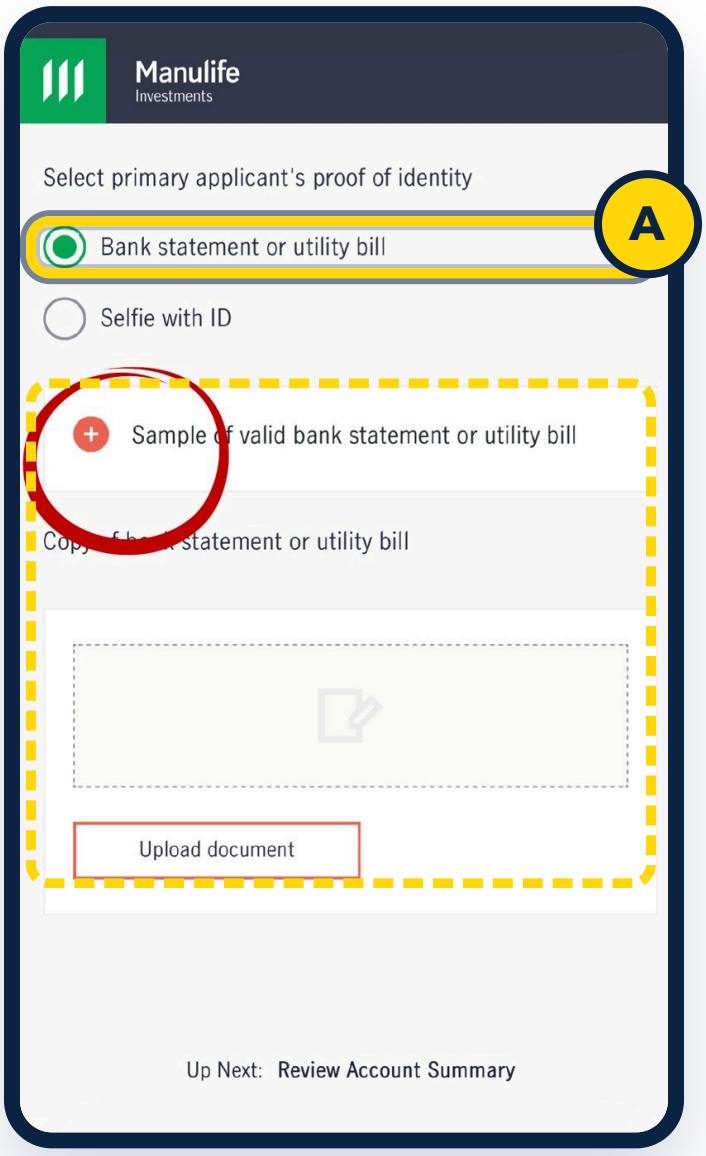

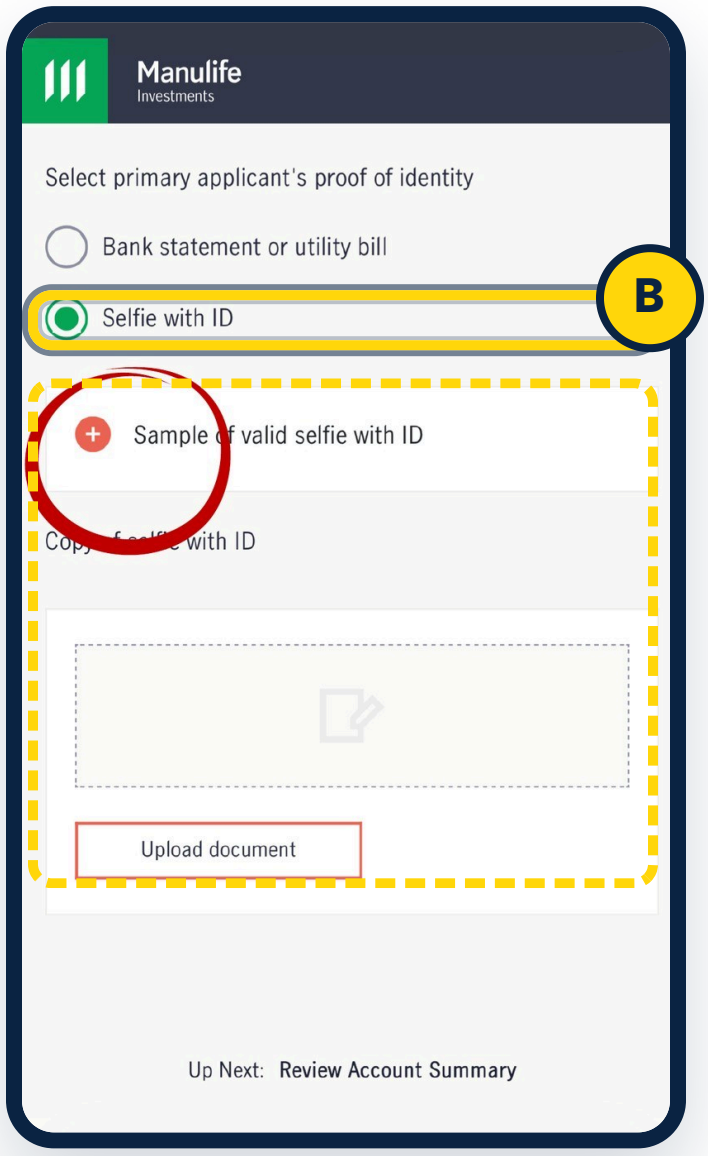

1. Upload the **front** of your IC.
2. Upload the **back** of your IC. Tap "Sample of…" to see an example.

Whole card in the frame, no glare, no blur, every word readable. Use the original card, not a photocopy.

STEP 10 OF 11

Proof of address

A **Bank statement or utility bill**: must show your **name** and the **same address** you entered earlier.

B **Selfie with ID**: your face and IC both clear; name, IC number and IC photo readable.

Choose only one. Blurry or cropped photos are rejected and delay your approval.

STEP 11 OF 11

Review, submit & what's next

1. Check the summary carefully. Make sure you avoided these common mistakes:

- ✕ Skipping adviser code **F527** or choosing “self-manage”
- ✕ Filling Given Name / Surname when you have a blue MyKad
- ✕ Address that doesn't match your bank statement or bill
- ✕ Zip code, city or state repeated in the address lines
- ✕ Blurry, cropped or glary IC / selfie photos
- ✕ A typo in your email address

2. **Submit**, then make your first investment or set up an **RSP** (monthly auto-debit).

3. Manulife verifies your account in **1–3 working days**.

Not sure which fund or amount to start with? WhatsApp me. We'll match it to your risk profile and goals.
