Important notice
This guide is prepared by Muhammad Khairul Khalis of MaxWealth Consultancy to help clients use Manulife iFUNDS. Screens are taken from Manulife Investment Management's official iFUNDS guide videos for illustration; actual screens may differ. It is not an official document of Manulife Investment Management (M) Berhad and is not investment advice. Before investing, read and understand the Product Highlights Sheet and the Prospectus / Disclosure Document. Investments in unit trusts and PRS carry risks; unit prices and distributions may go down as well as up. Past performance is not indicative of future performance.
