STEP 1 OF 14

Check eligibility

Before starting, are the following statements true?

Please take note of the following for opening an account with Manulife Investment Management (M) Berhad (formerly known as Manulife Asset Management Services Berhad).

- You are 18 years old or above and are NOT a citizen/resident/resident alien (aka green card holder) of the United States of America
- For opening of a joint account, no more than 2 applicants are accepted and the second holder may be under 18 years old
- Be able to provide the proof of identity, which is a photo of yourself (selfie) while holding up the ID.

Please prepare the following documents before you start your application

Required Digital Documents

The following should be uploaded into

1. Identification Document (ID)
   a) For Malaysian National Registration Identity Card (NRIC) holders - a picture or scanned copy of your valid NRIC
   b) For non-NRIC holders, a picture or scanned copy of your valid passport (unexpired)
   *All four corners of your document must be visible.

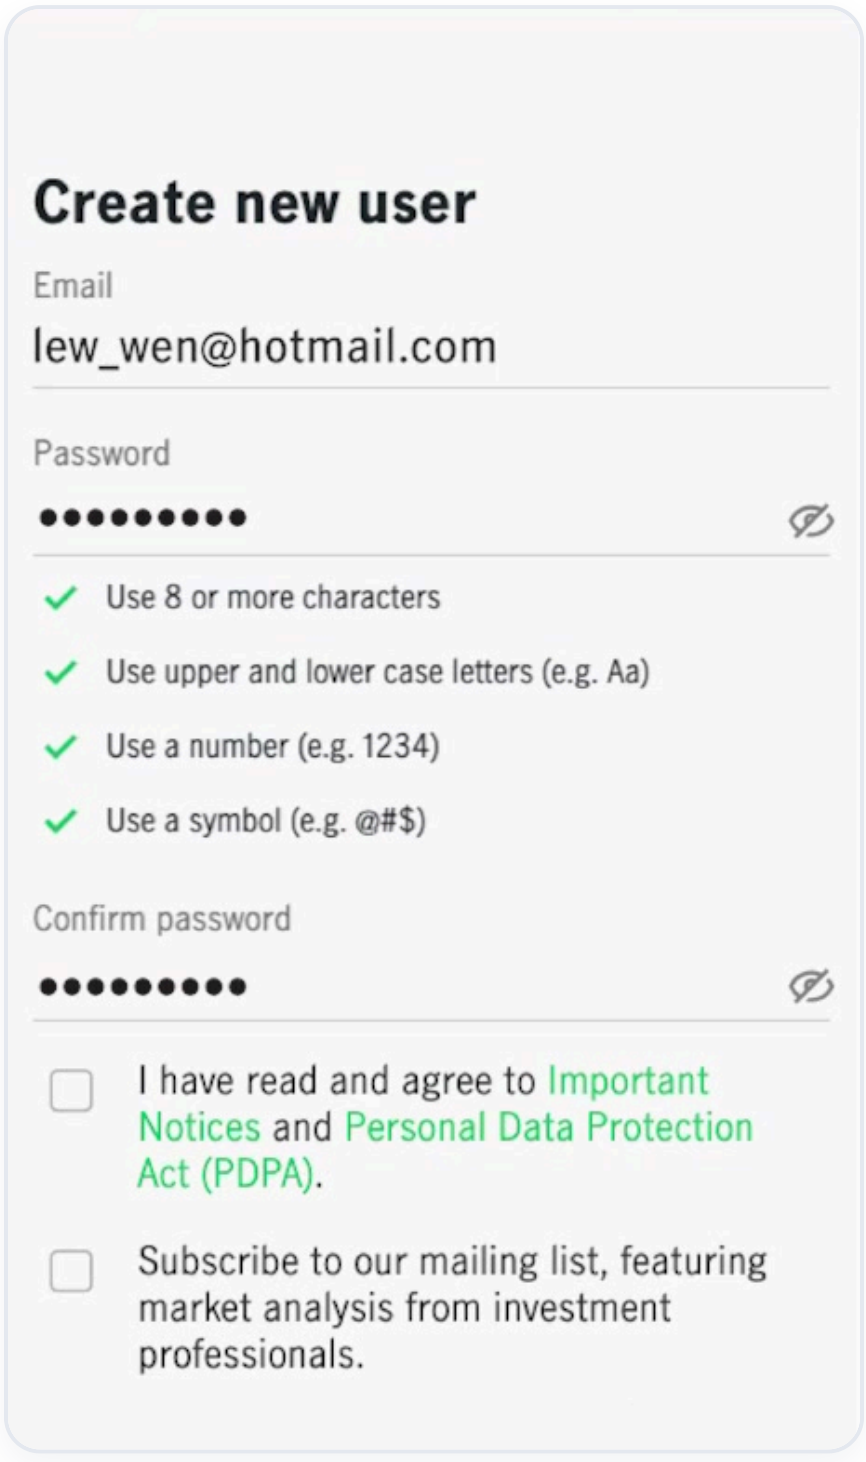

2. Proof of Identity
   Picture of your face (selfie) while holding up your ID
   *Your full face must be clear, unedited, unobstructed and centered in the frame. No side profile selfies.
   *Please ensure that the details in your digital documents are clear and legible.
